BICAS is a community bicycle recycling and education center. We are collectively-run 501 (C)(3) non-profit organization, located in the heart of downtown Tucson, and welcome people of all ages and walks of life.

Through advocacy and bicycle salvage, our mission is to promote education, art, and a healthy environment while providing service and opportunity for everyone in Tucson and the surrounding area.

Through donations from the community, BICAS provides the following to those who would otherwise not have the opportunity: an Earn-A-Bike Program, Worktrade, Community Service, Bike Repair and Community Tools. We believe in the bicycle as accessible transportation for all and do our best to make it so.
